Come and Celebrate with the Humane Society of Huron Valley!

Children ages 5-12 are invited to celebrate their birthday with the Humane Society of Huron Valley! The celebrations begin with a short presentation and an age appropriate craft that will help our adoptable animals find forever homes. Next, through a humane education lesson and a behind the scenes shelter tour, Party Animal guests will learn about all of the great things going on at HSHV and will even get to interact with a shelter animal. The last half hour of the party is reserved for you to celebrate with your family and friends by serving food and drinks, opening gifts and whatever other ideas you have in mind for celebrating!

How You Can Help the Shelter Animals

Birthday parties for children give us a great opportunity to show kids the power that one person has to make a difference in the lives of animals. We encourage guests to bring an item from the current Humane Society of Huron Valley wish list to help us care for the animals in our shelter. In fact, some of our Birthday Celebrants insist that their guests bring gifts for our animals instead of for them! Party Animal guests who bring "gifts" for our animals will be eligible for recognition as a Humane Society of Huron Valley Kind Kid! To learn more, visit www.hshv.org/kindkids

Please Read This Section Carefully

- Because HSHV's adoptable animals may find the Party Animal excitement a bit too stimulating, private visits from shelter animals, other than those used during the educational presentation, cannot be included as a part of your event. However, we will spend a good deal of time in the shelter viewing and learning about many animals! Of course, you are invited and encouraged to view our adoptable animals after the Party Animal Celebration has concluded, within shelter hours of operation.
- Party Animal guests will come into contact with soy, milk, nut, shellfish and wheat products. Although most of these are not included in our program, all are in our building and used with our animals daily.
- Families will be responsible for providing and serving all food, drinks, paper products, utensils and decorations for the party. A refrigerator, sinks and ample counter space are available for use. Decorations may only be hung using painter's tape and may not hang from the ceiling or dry erase board. Families may arrive up to 30 minutes prior to the start of the party to set up decorations and may stay up to 30 minutes after the party to clean up supplies. Guests should not arrive prior to the scheduled party time. HSHV staff will assist with cleaning and tear down of the party.
- The HSHV Party Animal package includes service for up to 18 guests (under the age of 18). The total number of Party Animal guests may not exceed 18 children. This includes all children attending the party and siblings of guests. There may be up to 15 adults who attend the party.
- We require a 1:5 ratio of adults attending the party (adults are not included in the total number of child guests, but are limited to 15 max). Adults attending the party are solely responsible for the supervision of Party Animal guests/
- All Humane Society of Huron Valley Party Animal guests are expected to display safe, respectful and appropriate behavior at all times towards staff, volunteers, guests, other participants and animals. HSHV reserves the right to deny participation to any guest who exhibits unsafe behavior with staff, party guests or animals at any time. Refunds are not available if a guest is dismissed from the birthday party.
- An adult from the party must be present from when the first child arrives until the last child leaves. The Humane Society of Huron Valley cannot provide childcare for unsupervised children arriving before the party or for unsupervised children awaiting pick-up after the celebration. All children must be with an adult when walking around the shelter.
- All participants under the age of 18 will need to have a signed minor waiver form, which is attached to this document. Waivers will be collected and counted prior to the start of the party. Any participants without a waiver form will be unable to participate in the program. Waivers need to be signed by the child's legal parent or guardian.
- Live animals may not be brought to the party, including as favors. This includes, but is not limited to dogs, cats, hermit crabs, fish and hamsters.
- The signed contract and \$100 non-refundable deposit must be received within 7 days of placing a hold on a party date. If the deposit and contract are not received before the hold expires, the date will become available for other families to schedule.
